

i-scribe

Ai scribing for healthcare professionals, by Australian doctors.

Notes, letters and plans, on time.

You're a **secretary tired of typing**? Your clinicians need i-scribe's dictation function. Run a **bustling GP clinic**? Boost your business with us. Patients **forgetting their treatment plans**? Enhance communication with our patient letters.

CHOOSE US FOR:

Free secretarial access

Manager referral incentives

Australian & secure

Professional & accurate

Expert customer support
